

Steps To Open A Business In Vernal City:

The following information is a guide to assist you in establishing, or relocating, your business in Vernal City limits.

- Location Verification. Whether you have a new business or relocating, we want to make sure that you are within Vernal City limit
- Ensure you have registered your business with the state. The State of Utah has developed a One-Stop Online Business Registration website that streamlines the process of registering a new business. The site is available 24 hours a day. It will guide you through a series of questions designed to comply with federal and state government registration requirements.
- Check IRS online for Employer Identification Number (EIN) requirements. EIN's are issued for the purpose of tax administration
- Apply for a Vernal City Business License

The State of Utah provides step-by-step instructions on How to Start a Business and answers many questions about doing business in Utah. This valuable resource can provide up-to-date information on state taxes, current laws and regulations, and Federal programs that may be available to assist the business owner.
